Re Front Fence Replacement - 14 Brown Street East Geelong

Further to our telephone conversation this morning, I am providing details of the replacement fence works at 14 Brown Street East Geelong. The scope of the works is listed below, a copy of the emu wire brochure and photos of the existing fence and house are attached.

Scope of work

Replace existing fence at 14 Brown Street East Geelong with emu wire fence and steel gates.

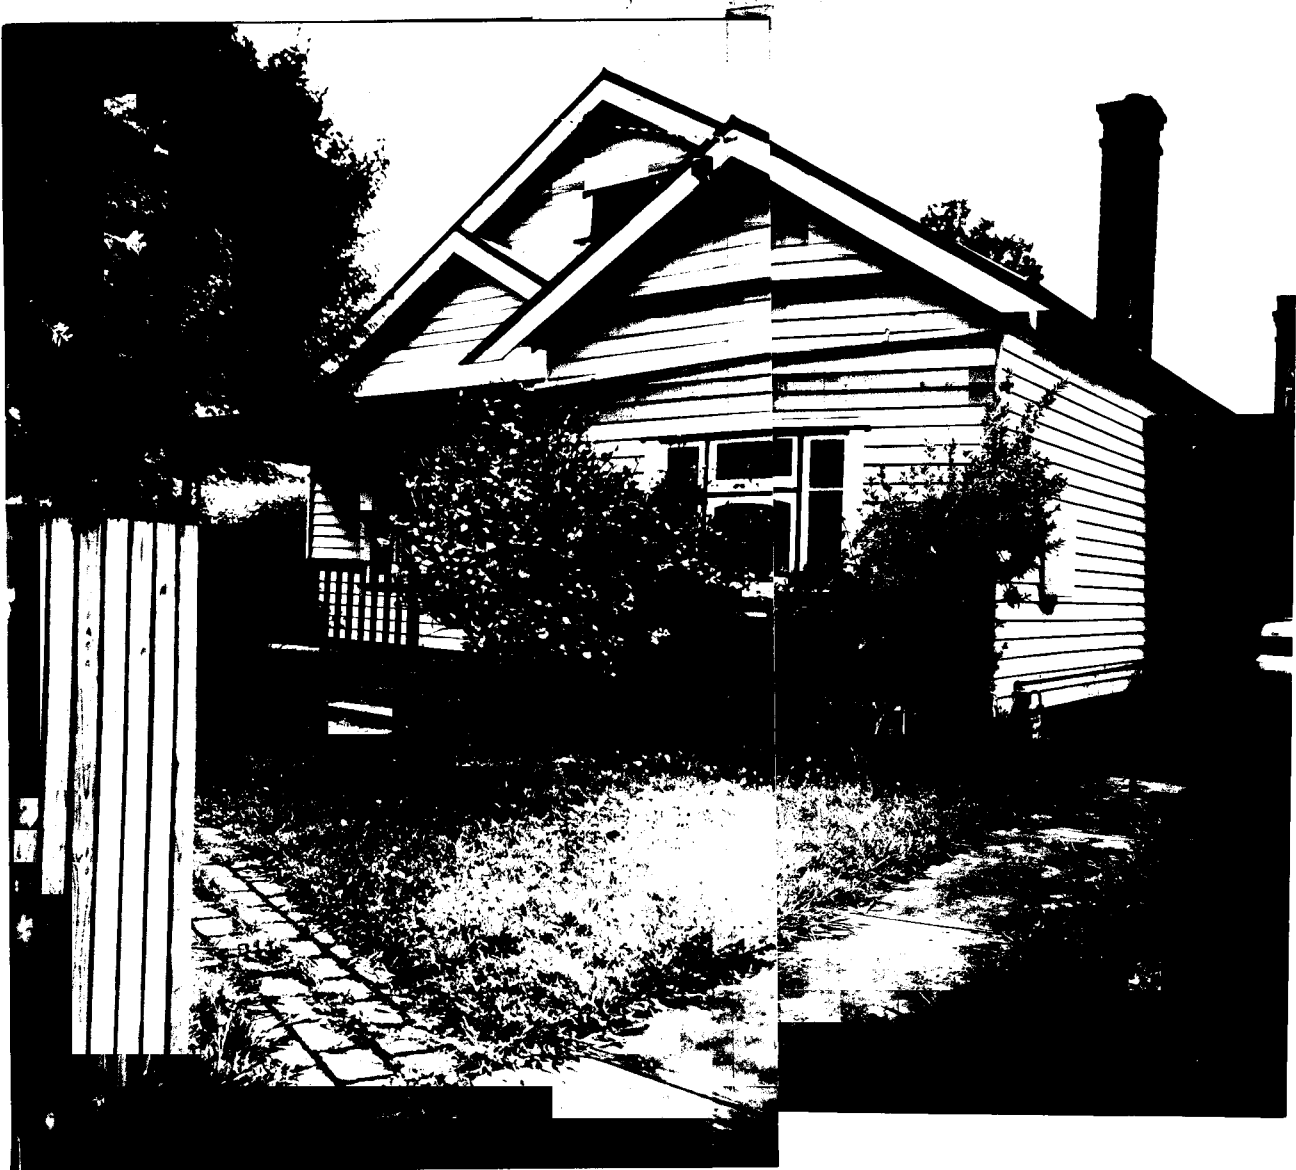

1. Remove existing fence and dispose of all material.
2. Install emu wire fence and gates at the front boundary.
 - a. Height - 1.05mm
 - b. Length - 12m
 - c. Construction - Emu wire fence, woven wire on wooden post and rail, typical arrangement shown on attached emu brochure. (Installation to be done by Belmont Fencing, Barry Matthews phone 5243 0281)
 - d. Gates - 3m wide, 2/3-1/3 (pedestrian access) style A on attached emu brochure.
 - e. Colour - Wire, gates, post and rails (Primrose, to match house)

Thank you for your assistance in clarifying City of Greater Geelong permit requirements.

If you have any questions or require further information, please do not hesitate to contact me.
