Description:

A single storeyed tuckpointed brick (overpainted) symmetrical Italianate villa with timber posted verandah and cast iron ornamentation and with stuccoed dressings and curved pediment (with shell end motif) parapet.

Condition:

Good

Integrity:

Good (overpainting)

History:

In 1889 the land on which No. 4 is situated was not rated separately. It may have been part of one of the adjacent properties, (1890, RB). In 1891 Geo. Watt, a carrier owned the land and built a brick dwelling there for his residence (1891, RB). By 1898 the property had passed to Henry Watt, also a carrier; Watt continued as owner/occupant in 1900, (1899, 1901, RB).

Significance:

A richly decorated villa forming a distinctive group with adjoining Nos 2, 6 and 8.

Recommendations:

Recommended for planning scheme protection.
