Description: A single storeyed bluestone residential pair with stuccoed parapet and convex timber posted verandah. The larger unit, No. 9, was formerly two units matching adjoining No. 11, each unit having a door and double hung window facing the street with timber partition (one removed) between.

Condition: Good

Integrity: Good

History: In 1869 Neil McLeod a gas fitter, owned land on the west side of William Street, Victoria Street end. In 1887 McLeod built three storey houses, each with three rooms, and leased them to a foreman (9), Carter (9) and tanner (11). By 1900, McLeod remained as the owner.

Significance: Nos. 9-11 William Street are a unique bluestone terrace speculative development within the municipality. They form a key building in the William Street historic area.

Recommendations: Recommended for inclusion on the Historical Buildings Council Register, the National Estate Register and for Planning Scheme protection.
