HISTORY	<p>Built in 1887 by David Corbett, this is a classical double-fronted, rendered brick house with a hipped roof. It has vermiculated quoins and a cornice moulding. The facade is asymmetrical, with a setback of about 1/4 bay one bay deep on the right-hand side. The windows are tripartite.</p> <p>Flower beds have been destructively constructed against the front walls, and the building is covered with signs associated with its current function.</p> <p>The Corbetts were early settlers in the area and bought this land probably in the 1860s[40]. It is shown as theirs on Plan of Bulleen. County of Bourke, c1873.</p> <table><tr><td>Creation Date</td><td>1887</td><td>Change Dates</td><td></td></tr><tr><td>Associations</td><td></td><td>Local Themes</td><td></td></tr><tr><td>The Corbett Family</td><td></td><td>7.03 - Victorian houses</td><td></td></tr></table>				Creation Date	1887	Change Dates		Associations		Local Themes		The Corbett Family		7.03 - Victorian houses
