		Place No.	298																																																
ADDRESS	684 Doncaster Road Doncaster		Last Update																																																
DESCRIPTION	-																																																		
	Condition	Excellent	Integrity Intact																																																
	Threats	Vibration	Key elements																																																
	Designer	Clarke Hopkins & Clarke P/L -																																																	
HISTORY	<p>A simple skillion roofed brick office of a domestic scale. The brickwork is bagged and painted. The roof is sawtooth in section with clerestory. It is set in a bush garden which softens the pedestrian underpass intrusion.</p> <p>Clarke Hopkins & Clarke Pty Ltd moved from offices at Kew Junction in High Street to this building which they designed for their own use. W.F.R. Wood of Koorool Construction Pty Ltd, Canterbury Road, Surrey Hills was the builder. Construction work started on the building in November 1977 and was completed in July 1978. STATEMENT OF SIGNIFICANCE	A characteristic office by this sound designing firm of local architectural significance. Its quiet good manners seem quite out of place in Doncaster of the 1990s.
