ADDRESS 15-17 Herlihys Road
Lower Templestowe

Last Update 21/03/2005

DESCRIPTION A relatively unpretentious weatherboard house, possibly 90-100 years old, with a corrugated metal roof and red-brick chimneys. The front door survives, but the windows have been replaced. There is no verandah. There are some mature trees on the edge of the site. The house faces away from the road toward Foote Street and so is difficult to assess from the street.
