

GATES & GARDEN

Place No. 140

ADDRESS 1 Hillcrest Road
Wonga Park

Last Update 1/04/2005

DESCRIPTION These gates and garden have been removed. They were described in the Doncaster & Templestowe Heritage Study (1991) as follows:

'Pair of double vehicular gates made of chain link and flat strap metal in a basket weave pattern on a tubular steel frame. These gates were made by D & W Chandler, Flinders Lane, Melbourne and are illustrated in the firm's catalogue (Catalogue No. 5 c1930s?). The gates appear to be an earlier entry into a large, mature garden.'

Condition Demolished
