

249 HIGH STREET

Individual Building Information

HERITAGE RESIDENTIAL ZONE

HOLY TRINITY CHURCH AND RECTORY.

Grading :- . A

Period :- . 1862 - 1869

Build Type :- . CHURCH AND
 - . PARSONAGE

Other Controls :- Registered on RNE
 & National Trust
 -
 Recommended for
 HBR

Outstanding Features :- The church and manse form a
 - very coherent pair of gothic revival style. A castellated
 - tower is set off one corner. Basalt is used as wall
 - material with use of freestone to the openings. Cream
 - bricks are also used in the manse at the openings.
 - Timber porch exists on manse. They command over their
 corner site.
