STUDLEY PARK "KANES FOOTBRIDGE"

Grading :- . . A. . . .
 Period :- . 1928
 Build Type :- . FOOTBRIDGE . .
 -
 Other Controls :- . HBR, RNE; . .
 - . . Recommendation

Outstanding Features :- A picturesque structure .
 - designed to serve the recreational needs of the .
 - public. Built after the floods washed away the .
 - original in 1934, the bridge is suspended from
 - tensioned cables that are hung from two piers
 - of undressed tree trunks. The bridge links Kew with
 the public golf course.
