[The following is quoted from page 40 of an unknown]  
[publication, probably written early 1940s]

The Honor Board, purchased by the Old Lintonians' Association, was unveiled on Christmas Day, 1917 by Messrs. Thomas Kennedy and Richard Ching. Permission being later obtained from the Grenville Shire Council the Board was hung in the Shire Hall and is now in the main entrance of the new municipal building and contains the following names. An Honor Avenue of oaks and elms on the flat near the railway station was also planted.

Although an official branch of the Red Cross was not formed here splendid work was done by womenfolk in providing comforts for the men at the front. The present conflict has not found Linton wanting; many young men are serving in the Militia and some have volunteered for the A.I.F.
