

LILLIMUR

WW1 /DR2015 (site uncertain)

Original Location of the WW2 HB was at Lillimur Hall. This was demolished in February 1999 and WW2 is now housed at Kaniva Historical Society, Kaniva

Comment: We are certain that there is or was a board for Lillimur for 1914-1918, but have not been able to trace it. Lillimur is the site of the "Dardanelles" Park which was erected in 1916 in remembrance of those who fought in the campaign. This being so it would seem highly unusual that the same community would not commit to an Honour Board, more especially as the Hall was named as the "Memorial Hall".
