

MORRISON

WW2 /DR2331 morrison.doc

This data is summarised from a very comprehensive 1999 study made by members of the Buninyong RSL Sub-Branch, under the direction of President Paul Eklom. Original material is held in the Anzac House Library.

Description This is a square board measuring 68cm x 61cm, with a gabled roof top section and a pointed base. In the top section are the words ‘Morrison’s then ‘Roll of Honour’. The next line reads ‘In honour of the living and to the glory of the dead’. At the top of the main board is ‘WW II 1939-45’. The names, in gold print and upper case, are listed in two columns. At the bottom of the main board are the words ‘Their names shall be held in everlasting remembrance’. This board and one from World War One were originally housed within the Morrissions Hall. The hall was demolished by vandals around 1975 and the WW1 board was destroyed. The WW1 board was a painting surrounded by photographs of those who served (perhaps similar to the Millbrook Roll of Honour). The CFA building also contains a cabinet for an Education Department WW1 book, but the book is missing.

Location It is presently located at the Morrissions CFA building.

Condition Good, the board has minor wear and a small amount of paint has been spilt on the top.

Present Custodian Morrissions CFA Brigade.

Probable Future Safe, the CFA building is well looked after and the Brigade is aware of the board’s significance.
