(Transcribed August 2001 by Narra Demczuk from a roll temporarily on display in the Dargo Neighbourhood House. To be displayed in the Dargo Hall when renovations are complete in early(?) 2002.) c.

HB Researcher Narra Demczuk added the following note (c. 2001). *The Dargo board was restored by Don Jarrett of Dargo, an ex-service man who moved to Dargo about 5 Yz years ago. Don did it in his own time and expense except for one item that had to be cast in a foundry which he organized. He did a wonderful job as you can see. I'm including his details in case you think that he should be. acknowledged in some format.*
