EXTRACT FROM PYRAMID HILL & DISTRICT HISTORICAL SOCIETY
June 21 1918 BALD ROCK HONOR ROLL

Bald Rock district residents conducted a great event which was not without its due measure of solemnity on Wednesday evening - the unveiling of the school and district honor roll. The panel bearing the soldiers' names is of polished blackwood and the pillars and arch are of the same material, the whole being of artistic design. The lettering is in gold and the decoration has an effective touch of color.
