Report from Researcher Edwina Kastner: *Long time Moorooduc residents, Mr & Mrs Jones, have a wealth of local history knowledge. Apparently this Honour Board hung in the original Hall, named the Tin Hall, but was later relocated to the 'newer' Brick hall. The Brick Hall is owned by the Progress Association and not the local Shire. Fifty seven men enlisted for WW2 from Moorooduc, but funds could not then be raised for an Honour Board. Mr Jones has a list of these names.*
