Hawksburn Railway Station Precinct (HO137) Schedule of Buildings

The following schedule is to be read in conjunction with the Heritage Citation Report for the Hawksburn Railway Station Precinct. Definitions of the gradings are explained in the *Stonnington Heritage Guidelines* and Clause 22.04 Heritage Policy. The gradings matrix was updated in Clause 22.04 from the letter gradings on 25/1/2018 to accord with statewide practice. The building gradings reflect the intactness of the built form on the site and its streetscape context. Buildings have been graded according to their relationship to the identified significance of the precinct and the ability of the built form to demonstrate key historic themes in the development of the area. It should be noted that a property may have characteristics other than built form (such as subdivision pattern, orientation, location) that also contribute to the historic themes and the significance of the precinct as a whole.
