<b>History:</b>	The 1855 plan shows two buildings one fronting Moreland St and the other Maribyrnong Street on lot 4 Section II Township of Footscray purchased by G. & H. Roberts. The building seems to be there on the 1864 Cox plan and on the 1877 plan. Not there on the 1895 and 1910 MMBW plan.

<b>Description</b>	This is a slight embarrassment as it should have been picked up in the City Link work but obviously wasn't. Although the area has been heavily disturbed by recent landscaping projects it is possible that some remains exist in this area especially given the survival of the adjacent Prickett Cottages.
