| <b>History:</b>  | The Manager's House is shown on the 1854 Derbyshire Plan and on contemporary illustrations. It was prominent on the northern slope of the ridge. The site contained a house and extensive gardens. It is not clear what happened to the site. |                   |                        |                   |         |
